Mr. A. Searle Field
Staff Director
Select Committee on Intelligence
House of Representatives
Washington, D.C. 20515

Dear Mr. Field:

During the course of interviews with CIA officers assigned to the White House Situation Room, HSC staffers displayed some interest in how the CIA Operations Center interacted with the White House. We would be pleased to provide a briefing on the Operations Center, which will explain its relationship to similar other centers in the Government, as well as its own responsibilities.

Sincerely,
